Thai Bodywork School of Thai Massage: Thai Massage Trainings with Chuck Duff

Thai Bodywork School of Thai Massage in Evanston, IL offers one of the most comprehensive Thai massage certification programs available anywhere, all classes taught by master instructor Chuck Duff.

Thai massage is a traditional form of bodywork that is extremely efficient, very therapeutic and beneficial for both giver and receiver.

Most classes are weekend workshops and can be taken either as standalone continuing education classes or as part of our

certification program. Students do not need to have prior massage experience to begin.

Many elements are unique to our program. Our program includes over 100 hours in Clinical Thai Bodywork, a modality for pain relief integrating traditional Thai massage, trigger point therapy and other systems.

Curriculum Highlights

- Traditional Northern and Southern Thai massage
- HandsFree Thai™
- Thai Herbal Compress

- Clinical Thai Bodywork™
- Anatomy for Thai Massage and Yoga
- 220-hour Certified Thai Bodywork Practitioner (TBP) program
- Supervised Apprentice sessions
- Therapeutic and clinical focus throughout the curriculum
